

Job Posting Rehabilitation Worker Full-time

The Canadian Mental Health Association Manitoba and Winnipeg is part of a 100-year-old nation-wide non-profit organization that promotes the mental health of Canadians and supports the resilience and recovery of people experiencing mental illness.

The Opportunity

We have a full-time position available for a Rehabilitation worker within CMHA's Assertive Community Treatment Team (ACTT) in our Community Housing with Supports program. We are developing a comprehensive community housing and wellness support continuum including all three levels of Housing First. The Assertive Community Treatment Team (ACTT) is a client-centred, recovery-focused mental health service for people with serious and persistent mental health illnesses.

The Position

The Rehabilitation Worker supports individuals experiencing mental illness, addictions, and homelessness by developing personalized plans, using evidence-based approaches, fostering community partnerships, and helping them choose, get, and keep meaningful roles and skills for success and satisfaction in their chosen environment. A full job description is available on request.

The salary scale for this position falls within Band 5, \$49,512.43 to \$60,230.41, of the Collective Agreement, for 35 hours of work per week.

The Qualifications Required

- Completed 3-year post-secondary human service degree. Equivalent education and experience may be considered.
- Two years' experience in a community-based social service setting (mental health, addiction, housing).
- Knowledge of issues related to poverty, homelessness, mental health, addictions, recovery and related systems and community services
- Understanding of Impact of stigma and trauma
- Familiar with MS Office
- Clinical assessment and counselling skills
- Effective communication skills
- Demonstrates cultural safety and works effectively with individuals with various backgrounds
- Presentation and facilitation skills. Able to tailor and present program information to public and professional audiences
- Satisfactory criminal record check, vulnerable sector check and abuse registries
- Legally entitled to work in Canada
- Acceptable work record

Preferred

- Willingness to acquire the Certified Psychosocial Rehabilitation and recovery Designation (CPRRP)
- Applied Suicide Intervention Skills Training (ASIST)
- Cognitive Behaviour Therapy (CBT)
- Experience with Motivational Interviewing, Stages of Change
- Experience with community engagement and outreach
- Knowledge of Housing First, Harm Reduction, Psychosocial Rehabilitation, Stages of Change
- Knowledge of Indigenous experiences of trauma, colonization, and cultural healing practices and resources
- Familiar with case work software (Caseworks)
- Time management skills
- Case management skills
- Assisting, problem-solving skills
- Advocacy skills
- Valid Class 5 driver's license and access to a reliable, Manitoba registered vehicle.

Total Rewards

CMHA offers an inclusive and respectful culture along with paid leaves for vacation, illness, bereavement, and mental health. A flexible working environment, supporting work life balance, with paid extended health, dental, employee assistance programming and life insurance benefits. A defined benefits pension plan is equally cost shared between CMHA and the employee, long term disability is 100% employee paid, when eligible. There is annual, budgeted support for professional development. Employees enjoy 12 paid general (statutory) holidays per year as well as a paid closure between December 24th at noon up to and including January 1st.

The Process

Please submit your resume and a cover letter by **September 13th, 2024**, indicating Competition Number **24-083** to careers@cmhawpg.mb.ca

CMHA will respond to requests for reasonable accommodations throughout the selection process. Please connect if you require any accommodations.

CMHA Manitoba and Winnipeg is committed to our workforce reflecting the diversity of the communities within which we work. As such, we encourage applications from persons with disabilities, members of visible minorities, First Nations, Inuit, and Métis people, people of all sexual orientations and genders, and others who may contribute to the diversity of our staff. Personal experience with mental illness and or addiction, either through self or a loved one, is an asset.
